

JFS Specialty Services Wowed by NOVAtime's Native Mobile Apps!

JFS Specialty Services Inc. is very pleased with the functions and features available in NOVAtime 4000 SaaS and its native iPhone and Android smart phone apps!

"I was wowed by NOVAtime's iPhone and Android smart phone apps... It's amazing to see the GPS locations for my team's punches on my Android phone, one of my manager's iPhone, and NOVAtime 4000 software."

DIAMOND BAR, CALIF., JULY 25, 2013 — NOVAtime Technology, Inc. (<http://www.novatime.com>), a leading provider of enterprise Time and Attendance/Workforce Management solutions, announced that JFS Specialty Services Inc. has chosen the NOVAtime 4000 SaaS Workforce Management solution to successfully manage its field employees.

JFS Specialty Services specializes in HVAC systems cleaning and restoration, firewall and smoke wall repairs, as well as water intrusion removal. With over 50 years of combined experience, JFS Specialty Services is capable of performing any project, tailoring jobs specifically to clients' needs. After implementing the NOVAtime 4000 system, the features and functionality of the solution's native mobile apps have really impressed JFS.

Frank Tapid, owner of JFS Specialty Services, comments, "I was wowed by NOVAtime's iPhone and Android smart phone apps. They are very easy to use! It's amazing to see the GPS locations for my team's punches on my Android phone, one of my manager's iPhone, and NOVAtime 4000 software." Using NOVAtime's native iPhone and Android smart phone apps, employees can easily clock in and out at any job site, review their time punches for the entire pay period, view their work schedules, and submit their timesheets. JFS Specialty Services also uses the NOVAtime's mobile apps for project tracking. Mr. Tapid adds, "NOVAtime 4000 is convenient and easy to use, enabling us to monitor our workforce and control labor costs effectively. The ability to see real-time data increases our efficiency and productivity. Using NOVAtime's SaaS solution, there's nothing to install, and we were up and running in no time."

JFS Specialty Services uses Wells Fargo to serve its payroll needs. Mr. Tapid says, "Wells Fargo Payroll and NOVAtime work very well together."

The NOVAtime 4000 Software as a Service (SaaS) solution is a hosted timekeeping service that NOVAtime provides to thousands of companies around the world. This solution and its services were included in an SSAE 16 audit, which is very important to JFS Specialty Services. JFS Specialty Services requires a company to have well-defined business processes and IT controls in place. The SSAE 16 compliance assures clients that NOVAtime employs high standards of operation.
