

NOVAtime Announced Version 3.0 of Their Time and Attendance Enterprise Edition Software

NOVAtime 3000 Enterprise Edition is an enterprise-level time and attendance workforce management application. The latest version (Release 3) of the software is packed with over hundred (100+) powerful new features and enhancements, including LDAP, random image authentication, improved web timesheets, enhanced reporting, expense module, etc.

Monterey Park, Calif. (PRWEB) August 19, 2005 -- NOVAtime, (www.novatime.com), an innovative technology company that develops time and attendance and workforce management software, officially announces the long anticipated NOVAtime 3000 Enterprise Edition Release 3 (R3) on Tuesday, Aug. 16, 2005.

The NOVAtime 3000 Enterprise Edition is NOVAtime's time and attendance / workforce management enterprise solution that is fully integrated with many types of time clocks and data collection terminals. This release further strengthens NOVAtime's position in providing a leading solution in the time and attendance areas with productivity enhancement tools and innovation to reduce administrative cost, to deliver strategic business advantage, and streamline organizations' process in workforce management.

Frank Su, president of NOVAtime Technology, Inc., said, "R3 is the biggest release for NOVAtime 3000 Enterprise Edition. R3 is a true team effort. We gathered our customers' requests, needs and requirements, and went to work on the NOVAtime 3000 R3. We had implemented many suggested enhancements coming from our distributors and resellers, and some even directly from customers. The latest version of NOVAtime 3000 is proof that when our customers speak, we listen."

Using the new and improved technologies, NOVAtime 3000 Enterprise Edition is packed with over one hundred (100+) powerful new features and enhancements.

An effective time and attendance / time clock solution can increase any organizations business productivity and enhance overall business performance. NOVAtime's goal is to provide a great time and attendance for customers' to efficiently and proactively manage their workforce so that they can spend more time focusing on their business, rather than working in their business.

About NOVAtime:

With corporate offices located in Monterey Park, California, NOVAtime is a leader in integrating time and attendance systems with a company's human resources and payroll. Known for their scalable software technology, many of the best-managed companies in the world have chosen NOVAtime as the preferred time and attendance and workforce management software provider.
