*NOVAtime announced its participation in the 58th Annual Conference & Exposition of the SHRM to showcase its latest release of its enterprise system NOVAtime 3000 Enterprise Edition to many Human Resource and Payroll professionals.*

Monterey Park, Calif. ([PRWEB](#)) June 22, 2006 -- NOVAtime, ([www.novatime.com](http://www.novatime.com)), an innovative technology company that develops time and attendance and workforce management software, will showcase their latest release of their enterprise time and attendance / workforce management solution, NOVAtime 3000 Release 4 at the upcoming Society for Human Resources Management (SHRM) annual conference and exhibition in Washington, D.C. held between June 25th and June 28th, 2006.

NOVAtime will be on display with the 20' booth at the Booth #3357 and #3359. "The latest version of NOVAtime 3000 Enterprise solution is phenomenal in features and performance. The annual SHRM exhibit is an extraordinary human resource / payroll event to debut the new NOVAtime 3000 R4 and our complete line of time and attendance solutions. We will show human resource executives and payroll professionals how to protect their company's bottom line and proactively manage their workforce by learning to automate their time and attendance needs," says Eric Lund, NOVAtime's Sales Manager.

"The R4 version of NOVAtime 3000 Enterprise Edition solution enables our customers to achieve unprecedented performance improvement / optimization in the web services, and many new features and product enhancements. We have a strong commitment to provide the best products and services to our customers. Our goal is to provide a great Time and Attendance System for our customers to efficiently and proactively manage their workforce, so that they can spend more time focusing on their business, rather than working in their business." says Frank Su, NOVAtime's Founder and President.

NOVAtime is different due to its unique offering of workforce management solutions for companies with 10 employees or over 10,000 employees that need to run their time and attendance solution on a web farm. "With our smooth migration path, powerful reporting engine, diversified data collection devices / web services, we have a proven solution that can help you managing your workforce efficiently," says Eric Lund, NOVAtime's Sales Manager.
