

NOVAtime Solutions to be Showcased at Booth #1549 and #1551 in the Upcoming Society for Human Resource Management (SHRM) Annual Conference and Exposition

NOVAtime announced its participation in the 2009 Annual Conference & Exposition of the SHRM to showcase its complete line of the workforce management solutions to many Human Resource and Payroll professionals.

Monterey Park, CA ([PRWEB](#)) June 23, 2009 -- NOVAtime, (<http://www.novatime.com>), an innovative technology company that develops time and attendance and workforce management software, will showcase their complete line of time and attendance / workforce management solutions at the 61st Society for Human Resources Management (SHRM) annual conference and exposition in New Orleans, Louisiana held between June 28th and June 30th, 2009.

NOVAtime will be on display at Booth #1549 and #1551. "The latest version of [NOVAtime 4000 Software-as-a-Service \(SaaS\) solution](#) is phenomenal in-terms of features and performance. You can take advantage of NOVAtime's time and attendance solution to automate and streamline your timekeeping, improve availability and delivery of information, and better manage your labor costs using a pay as you go SaaS price model." In today's economy, using a Software-as-a-Service workforce management solution simply makes sense, while also allowing companies to focus IT and capital in other areas," says Brian Harris, NOVAtime Director of Professional Services.

The annual SHRM exhibit is an extraordinary human resources / payroll event to showcase NOVAtime's complete line of time & attendance software solutions and [innovative 'push-technology' hardware products](#). "We will show human resource executives and payroll professionals how to protect their company's bottom line and proactively manage their workforce using real-time data coming from our push technology devices," says Jason Ochoa, NOVAtime's Enterprise Account Executive.

"NOVAtime's 4000 SaaS solution is a load-balanced, multi-tier architecture that ensures availability and performance. NOVAtime also understands the need for security and hosts its solutions in a SAS 70 Type II data center, while also certifying the [NOVAtime SaaS environment via a 3rd party security firm](#). This high-end hosting environment combined with [NOVAtime's push technology time clocks that only need Internet \(HTTP or HTTPS\) connectivity](#), minimizes deployment time and cost," adds Scott Rose, NOVAtime's Enterprise Account Manager.

NOVAtime's highlights and differentiators include:

1. Complete end to end solutions for all company sizes: Its unique offering of the complete line of time and attendance/workforce management solution for companies from 10 to over 10,000 employees.
2. Purchase or SaaS Licensing Models: Its solutions can be purchased by their clients or hosted by NOVAtime using its Software-as-a-Service solution.
3. Push Technology: Its unique push technology time clocks only need Internet connectivity and send data to the server in real-time without data polling.
4. [Data Collection Options](#): Its complete line of data collection solutions from PC entry, barcode/proximity badge time clocks, hand readers, fingerprint time clocks, ruggedized mobile devices with Wi-Fi or GPRS cellular, telephone real-time punch, and browser web punch provide options for companies and business or environmental requirements.

Visit NOVAtime at booth #1549 and #1551 for an opportunity to win an Acer Aspire One 10.1-inch Diamond Black Notebook computer and learn how NOVAtime's solutions were used during the [2007 and 2009 Super Bowl events](#). NOVAtime's continued support of the SHRM and exposure with other national industry associations allow organizations to recognize the NOVAtime brand name as the industry leader in Time & Attendance/Workforce Management while ensuring its solutions address current industry challenges and compliance requirements.
