

NOVAtime Participates in the American Payroll Association's (APA) 28th Congress in Washington, D.C. Between May 26 and May 28, 2010

NOVAtime announces its participation in the 26th Annual Congress of the American Payroll Association (APA). During the conference NOVAtime will demonstrate its powerful Workforce Management Solutions and flexible application integration to Human Resource and Payroll professionals.

Monterey Park, Calif. ([PRWEB](#)) May 24, 2010 -- NOVAtime Technology, Inc. (<http://www.novatime.com>), a forward-thinking workforce management solution development company, today announced that it will participate in the American Payroll Association (APA) congress in Austin, Texas, between May 26th and May 28th, 2010.

The APA's annual congress is the world's largest payroll, accounts payable, and finance Expo. It has conventionally offered exceptional training and a variety of educational topics for many payroll and human resource professionals. Many payroll and HR personnel from around the country will attend the tradeshow to listen to guest speakers, continue their payroll education, and learn more about products and solutions offered by companies like NOVAtime.

NOVAtime supports the most comprehensive selection of data collection options, including badge terminals (proximity HID / barcode / magnetic stripe), hand-punch terminals, fingerprint terminals, PDA scanners, and telephone. NOVAtime's push technology time clocks automatically "pushes" employee time punches to NOVAtime's workforce management system without the need for a data-collection computer. Brian Harris, NOVAtime's director of Professional Services, says, "Using the NT6000P mobile PDA scanners and the NT6500 time clocks, our cutting-edge workforce management solution delivered a touchdown for S.A.F.E. at the Super Bowl XLIII and XLIV NFL championships. Our push technology clocks require minimal network configuration and are supported in even the most secured networks across the country." S.A.F.E. uses the both NT6000 Wi-Fi and GPRS in cellular mobile scanners.

NOVAtime will be on display at Booth #203. "The annual APA congress is an extraordinary payroll event with great exposure. We are excited to have an opportunity to show payroll executives and human resource professionals how our state-of-the-art push technology hardware solutions and NOVAtime's time and attendance/workforce management solutions can be used to protect their company's bottom line and allow them to proactively manage their workforce," says Ian Sexton, NOVAtime's Senior Vice President.

"Our solutions are load balanced and the application security is certified by a third party. It is truly scalable to fit major corporations and government agencies. In today's challenging times, our hosted software-as-a-service (SaaS) model offers the best value to help companies to control their labor costs. Whether your company prefers to purchase a system or use NOVAtime's NOVAtime 4000 Software-as-a-Service (SaaS) solution, we have a proven solution that can help you to manage your workforce efficiently," says Mr. Sexton.

Established in 1999, Over 10,000 organizations around the world benefit from NOVAtime Workforce Management Solutions. Visit the NOVAtime booth #203 and learn more about how we have helped other companies control costs and remain compliant with today's challenging business requirements. APA attendees and exhibitors have an opportunity to win an Acer Aspire One 10.1-Inch Metallic Silver Netbook.
