NOVAtime Expands into New Corporate Headquarters to Support Dramatic Growth

[NOVAtime](#) Expands into New Corporate Headquarters to Support Dramatic Growth

Diamond Bar, CA (Vocus) September 20, 2010 -- NOVAtime Technology, Inc., a forwardthinking workforce management solution development company, today announced its relocation. To mark the start of its second decade of providing comprehensive Workforce Management and Time and Attendance solutions, NOVAtime, one of the world's most popular SaaS destinations, will be relocating its Corporate Headquarters to the the prestigious Gateway Corporate Center in Diamond Bar, California. Diamond Bar is strategically located in the area of Los Angeles, Orange, Riverside, and San Bernardino Counties and positions NOVAtime in the heart of Los Angeles; providing easy access for NOVAtime's customers and partners.

"To be able to expand during uncertain economic times shows NOVAtime's commitment to growth and its continued success in the marketplace. We're very excited to accelerate our development and leverage leading-edge technology to provide best-in-class workforce solutions to businesses well into the future", said Frank Su, president of NOVAtime.

With panoramic hilltop views of the San Gabriel Valley, NOVAtime's new Corporate Headquarters also provides the space and flexibility needed as NOVAtime continues to grow its teams. The move from the current location will be completed by October 4th, 2010. All mail and correspondence should be directed to the address and phone numbers listed below.

1440 Bridgegate Drive
Diamond Bar, CA 91765
Tel: (909) 895-8100
Fax: (909) 895-8150

NOVAtime is pleased to announce this move and demonstrate its ongoing growth and development. Please direct and questions and/or comments to sales(at)novatime(dot)net.

About NOVAtime:
With corporate offices currently located in Monterey Park, California, NOVAtime continues to apply the latest technology advancements to its complete suite of Workforce Management solutions. NOVAtime serves companies that have between 10 and 40,000 employees with [complex attendance data collection, browser based data collection, scheduling, labor allocation, job costing, work-order management, machine-related data collection and cost center allocation](#). NOVAtime has two supported software platforms: a licensed client-server application with web capabilities and a [a hosted Software-as-a-Service (SaaS) solution](#).
