

NOVAtime Solutions to be Showcased at Booth #1766 and #1768 in the Upcoming Society for Human Resource Management (SHRM) Annual Conference and Exposition

NOVAtime announced its participation in the 2011 Annual Conference & Exposition of the SHRM to showcase its complete line of the workforce management solutions to many Human Resource and Payroll professionals!

Diamond Bar, Calif. ([PRWEB](#)) June 26, 2011 -- NOVAtime Technology, Inc. (<http://www.novatime.com>), a forward-thinking workforce management solution development company, today announced that it will showcase their complete line of time and attendance / workforce management solutions at the 63rd Society for Human Resources Management (SHRM) annual conference and exposition in Las Vegas, Nevada, held between June 26th and June 29th, 2011.

NOVAtime will be on display at Booth #1766 and #1768. “We’ll showcase the [new GT400P biometric hand readers](#). It is our latest addition of the push technology time clocks that eliminate data collection process and servers. We’ll also showcase our [NOVAtime4000 Software-as-a-Service \(SaaS\) solution](#)– it is phenomenal in terms of features and performance. You can take advantage of NOVAtime’s time and attendance solution to automate and streamline your timekeeping, improve availability and delivery of information, and better manage your labor costs using a pay as you go SaaS price model,” says David Weissman, NOVAtime Regional Sales Manager. “In today’s economy, using a Software-as-a-Service workforce management solution simply makes sense, while also allowing companies to focus IT and capital in other areas,” adds Mr. Weissman.

The SHRM has been serving the needs of HR professionals for more than six decades. More than 18,000 people are expected to attend the 2011 annual conference. As always, the HR / payroll professionals will hear from world-class speakers. The annual SHRM exhibit is an extraordinary human resources / payroll event to showcase NOVAtime’s complete line of time & attendance software solutions and innovative ‘push-technology’ hardware products. “We will show human resource executives and payroll professionals how to protect their company’s bottom line and proactively manage their workforce using real-time data coming from a variety of our push technology devices and time clocks,” says Scott Rose, NOVAtime’s Enterprise Account Manager.

SHRM is a place to refresh, renew, to lean and go home prepared for what’s next in HR. Visit NOVAtime at Booth # 1766 and #1768 to learn what NOVAtime can do for your company. The highlights and differentiators for the NOVAtime products include:

1. Complete end to end solutions for all company sizes: Its unique offering of the complete line of time and attendance/workforce management solution for companies from 10 to over 10,000 employees.
2. Purchase or SaaS Licensing Models: Its solutions can be purchased by their clients or hosted by NOVAtime using its Software-as-a-Service solution.
3. Push Technology: Its unique push technology time clocks only need Internet connectivity and send data to the server in real-time without data polling.
4. [Data Collection Options](#): Its complete line of data collection solutions from [Android mobile phone solutions](#), PC entry, barcode/proximity badge time clocks, hand readers, fingerprint time clocks, [ruggedized mobile devices with Wi-Fi or GPRS cellular](#), [telephone/IVR real-time punch](#), and browser web punch provide

options for companies and business or environmental requirements.

Visit NOVAtime for an opportunity to win an iPod Touch and learn how NOVAtime's solutions were used during the 2007, 2009, 2010, and 2011 Super Bowl events. NOVAtime's continued support of the SHRM and exposure with other national industry associations allow organizations to recognize the NOVAtime brand name as the industry leader in Time & Attendance/Workforce Management while ensuring its solutions address current industry challenges and compliance requirements.
