RANCHO CUCAMONGA, Calif. ([PRWEB](http://www.prweb.com)) February 26, 2018 -- NOVAtime Technology, Inc. (<http://www.novatime.com>), a forward-thinking Workforce Management / Time & Attendance solution developer and provider, has announced it has successfully completed and renewed an independent audit for the Statement on Standards for Attestation Engagements No. 16 (SSAE 16) Type II compliance standard.

The examination was administered by the Moore Group, COPA, LLCA, and was conducted in accordance with the attestation standards established by the American Institute of Certified Public Accountants, which confirmed that NOVAtime is operating in compliance with SSAE 16 standards for controls related to development, hosting services, and support of its NOVAtime Workforce Management Application Suite.

NOVAtime Technology has successfully completed the SSAE 16 Type II Audit each year since 2013.

In addition to ensuring that the NOVAtime software is up to SSAE16 Type II standards, NOVAtime has utilized SSAE 16 Type II certified data centers since 2008, currently hosted by a tier-1 data center provider. Mr. Brian Harris, VP of Client Services stated that “Our continued achievement of the SSAE16 Type II standard for both our data centers and our company shows a continued commitment to well defined business practices and high standards of operation to better serve our customers.”
