

NOVAtime to Showcase new User Interface and Concierge Enhanced Scheduling (CES) at 2018 California HR Conference

NOVAtime will present its new Enhanced Scheduling solution and revamped UI at the 2018 California HR Conference.

RANCHO CUCAMONGA, CALIF. (PRWEB) August 26, 2018 -- [NOVAtime Technology, Inc.](http://www.novatime.com) (<http://www.novatime.com>), a leading provider of enterprise Workforce Management / Time and Attendance solutions, will be demonstrating the new NOVAtime [User Interface](#) and [Concierge Enhanced Scheduling \(CES\)](#) module at the California HR Conference in August.

[The California HR Conference](#) draws over 2,500 HR and other business professionals annually, with over 70 speakers and more than 15 opportunities to earn professional certification credits. With a beachside location in a large city, attendees can be sure to have fun at the conference as well as during their free time.

"We are very excited to attend the 2018 California HR Conference to show the CAHR community in our native Southern California our new Concierge Enhanced Scheduling module, as well as our first fully responsive User Interface."

NOVAtime recently rolled out these features, upgrading about half of its clients to the new system in late June, with the remaining upgrades scheduled for early August. Brian Harris, Vice President of Client Services at NOVAtime, stated, "We are very excited to attend the 2018 California HR Conference to show the CAHR community in our native Southern California our new Concierge Enhanced Scheduling module as well as our first fully responsive User Interface."

NOVAtime can be found at booth #733, showcasing the NOVAtime Workforce Management / Time and Attendance system and providing hands-on demonstrations of the new UI and CES module.
