

NOVAtime Rolls into The Woodlands to Show off Streamlined User Interface, Navigation at 2018 Texas Payroll Conference

NOVAtime will present its enhanced UI and improved Navigation at the 2018 Texas Payroll Conference.

RANCHO CUCAMONGA, CALIF. (PRWEB) August 14, 2018 -- [NOVAtime Technology, Inc.](http://www.novatime.com) (<http://www.novatime.com>), a leader in the enterprise Workforce Management / Time and Attendance solutions industry, will be demonstrating its fully responsive [User Interface](#) and improved, user-friendly Navigation at the Texas Payroll Conference in September.

"The re-designed Navigation is extremely intuitive. This, along with our fully responsive User Interface, has simplified everything for our clients. With just a few clicks they can get anywhere in the system they need to be, quickly."

[The Texas Payroll Conference](#) has grown to over 500 attendees annually, giving payroll professionals the opportunity to learn about advances in technology, tax and legal changes, as well as develop themselves professionally. In addition to classes, the conference offers the chance to interact with peers and representatives from state and federal agencies that work with the payroll community.

NOVAtime recently upgraded all of its SaaS clients to the new UI, and the feedback has been unanimous. Brian Harris, Vice President of Client Services at NOVAtime, explains, "The re-designed Navigation is extremely intuitive. This, along with our fully responsive User Interface, has simplified everything for our clients. With just a few clicks they can get anywhere in the system you need to be, quickly. We look forward to attending the 2018 Texas Payroll Conference to show the payroll community how these updates can help them improve efficiency in their office."

NOVAtime can be found at booth #15 from September 12th through 15th, providing hands-on demonstrations of the new NOVAtime UI and Navigation.
